|---------------------|------|------------|
| VTM Drawing | 00 | 2025.08.05 |
| VTM User Manual | 00 | 2025.08.05 |

Conformity declaration and marking of product

In order to fully meet with the requirements of the Directive and legally affix the CE mark, the manufacturer must take all measures necessary to ensure that the manufactured product complies with the technical file and with the requirements of the Directive and finally draw up an EC declaration of conformity.

This certificate is issued on a voluntary basis and is not a condition for the issuance of any declarations by the manufacturer under the provisions of the directive mentioned on the front page. This certificate shall therefore not be referred to in any of the manufacturer's declarations.

End of Certificate
